

10. Maps

Note

- Include as much information as possible, e.g. scale, type of map.
- For dynamically created maps (e.g. Google Maps and many of the Digimap products) does not have a title, describe the map in square brackets, and include a retrieval date.
- For static (including printed) maps with a published name, italicise the title and follow with [Map] in square brackets.
- If you are referencing a long URL, you are encouraged to use a URL shortening service, e.g. [Bitly](#) or [TinyURL](#).
- If referencing Digimap products, further advice can be found on the [Digimap website](#).
